

NTG Air & Ocean  
Nordic Transport Group

# BREAK BULK & PROJECT FREIGHT 2025

# Project transport

Not all transport is suited for standard solutions. Sometimes alternatives are needed, and this is where we can help you.

We are good at finding untraditional solutions and that is exactly what is needed in project transport.

NTG Air & Ocean Oy – Finland has many years of experience in project transport, and we use that experience and knowledge every day when we provide service to our customers around the globe.

## In project transports we can offer solution and services:

- Oversized cargo with container vessels
- Roro
- Break bulk
- Cross trade/3rd party logistics
- Vessel charter
- Air charter
- Hazardous or high value goods
- Surveillance and reporting
- Export/import customs documentation

NTG Air & Ocean Oy is part of public listed NTG Nordic Transport Group A/S together with over 80 transport and forwarding companies worldwide – with more still joining. The members in the group co-operate through partnership agreements giving each company extensive opportunities for driving and developing their businesses.

Air & Ocean Oy, established 2007 business relies on the high quality of our services &

business transparency. The key to our success is satisfied customers who can count on receiving high-quality project logistics services and solutions. We are an ISO9001 & ISO14001 certified company. Our environmental management system follows a standard that ensures that we comply with the set environmental regulations. NTG Air & Ocean Oy belongs to Bisnode's good AA credit rating and Dun & Bradstreet's lowest risk class 1.
